Credentials: CARF state licensed: Residential
Founded in 1980, CNS is the leader
in providing cost-effective, post-acute
community based brain injury rehabilitation.
Recognized and accredited by the Commission
on Accreditation of Rehabilitation Facilities
(CARF), CNS effectively treats the entire
spectrum of patients with brain injuries.
Inpatient, assisted living, supported living,
day treatment and outpatient services
are available. CNS values extensive and
comprehensive education regarding brain
injury and has been dedicated to pursuing
and advancing the best in clinical treatment,
education, and research.

Felice Loverso, PhD, President & CEO; David
Patterson, MD, Medical Director; Jennyfer
Poducka, LVN, Inpatient & TLC Admissions;
Rodney Peek, Long-Term Care Admissions;
Beth Nunn, Outpatient Services
Casa Colina has a long history of providing
an extensive continuum of care for people
with traumatic brain injury. Services include
a Joint Commission accredited 68-bed acute
rehabilitation hospital, CARF-accredited 38-
bed post acute Transitional Living Center,
Outpatient Center, Home and Community
Program, long-term residential facilities,
Outdoor Adventures program and Children's
Services. Our unique physician-directed
programs rely on proven clinical pathways
that ensure "best practices" are used by our
team of licensed clinicians and offers state-
of-the-art medical and rehabilitation facilities
for neurological patients, including indoor
and outdoor therapy gymnasiums, activities-
of-daily-living, speech language pathology,
aquatic therapy pools, laboratory, imaging
services, sleep center and more.
